Mr. John N. McMahon  
Deputy Director  
Central Intelligence Agency  
Washington, D.C. 20505

Dear Mr. McMahon:

We were greatly impressed by your recent talk to the Foresters' Wives at Fort Myers. You will recall that many husbands were present. As a result of the excellent, informative talk we are inviting you to give a similar talk at the Cosmos Club, 2121 Massachusetts Avenue, NW.

As you may know, the Cosmos Club has a restricted membership of men who are holding or have held higher level positions and contributed appreciably to their professions. At our Monday night lectures the members may bring their spouses and occasional guests. The lecture may last from a half hour to an hour with time for a few questions. To give you a better perspective of the lecture series, enclosed is a copy of a monthly program. The Monday night talks are marked. We will be certain that there be no recording of your talk and take what other precautionary measures you may want. *not enclosed*

*out of town*  
The Monday night vacancies are May 7, September 24, October 1, October 15, and you may select your preference. There is no honorarium for the speaker, He may bring his wife and one other couple to have dinner at the Club prior to his talk.

We look forward to hearing from you and will be glad to answer any questions you may have.

Sincerely,

*Gordon D. Fox*
